The Stage

Performing Arts School, Music Academy & Theatre

The Stage, Performing Arts School & Theatre, was an idea born when five talented girls decided to combine their expertise, love for the performing arts and theatre with the passion to share this knowledge and experience with aspiring young performers.

The Stage Cabaret Theatre is a cozy 80 seater facility centrally located in High Street Shopping Village, just off Durban Road.

Equipped with basic sound and lights, the theatre lends itself to be transformed into the perfect setting for any event. Kitchen facilities available.
