## *The Cape's Premier Winter Playground*

February 2012

Hi All Winter Wonderlanders

So many things have happened this month, that I am quite late with my letter.

Our application to Events as well as the City of Cape Town has been sent in. All have been very helpful and quick in their reaction to our request. Now we will just wait for their queries and replies. We are also in the process of manufacturing more snowflakes.

Nico Marais of Village Plastics, in conjunction with Annalien and Phillip at Fairview Golf Course, are busy organizing an amazing Golf Day at Fairview for Saturday 5 May 2012. Included in the price of only R200pp for a four ball there will be lots to eat and three wet holes. There will be wonderful items on auction too, lots of lucky draws and great prizes to be won. Remember to bring your wallet. You can make your golf as serious as you wish, but we are planning it to be a fun day.

The income from this Golf Day will go towards the manufacturing of the snowflake motifs that we plan to put up on the lamp poles. They cost roughly about R1200 each and we are hoping to get together enough funds to manufacture about 60 of them. This should create an amazing effect. We are also planning a big surprise – funds permitting. Next year something new again.

Pino Settimi from Stained Glass Creations has put the names of our sponsors up on our Winter Wonderland wall. As we get donations, so the names will go up and our thermometer gets filled. Our aim is R150 000. There are a lot of people sponsoring other things e.g. Mark from The Tavern is sponsoring the ingredients for the lasagne at the Golf Day and Miguel from Al Forno will make the lasagne. Cammy from Spar is sponsoring the boerewors rolls. This just shows you how Gordon's Bay people can work together towards a common goal – to put Gordon's Bay back on the map and bring happiness into a lot of people's lives.

Our main goal is to involve all local people as far as is possible – and keep it local – to show visitors that all the expertise and talent and a variety of it – all live in Gordon's Bay. We also realize that each one of us needs to take ownership and not wait for other people to ask us to do something. If it's to be, it's up to me.

Each project that one is involved in, you make new friends. The Winter Wonderland Wall is a great example. Sonni who came by one evening as we were transferring the motives, started to help. Before that she wanted to move away from Gordon's Bay, but since has made wonderful friends and started to feel part of the community.

Please support our Golf Day. Information will reach you shortly about this. If you feel in your heart that you would like to contribute – either to become involved or to give donations, please contact Margot at [winterwonderland@gbbf.co.za](mailto:winterwonderland@gbbf.co.za). Our banking details are in December's news letter.

'Till next month

Margot Paulsen
