

# NEW GOLF R

## HEART-STOPPING HANDLING

All the power in the world is worthless unless it can be harnessed. The Golf R has just the right combination: speed-sensitive power steering, permanent 4Motion® all-wheel drive and unique sports suspension ensure optimal handling at all times. The optional Adaptive Chassis Control (DCC) ensures the Golf R's suspension is constantly adapting to suit the road and driving conditions. If it's a more casual drive you're after, the standard Cruise Control will make the journey as effortless as it is enjoyable.

## SUPERIOR SAFETY

Safety always comes first and the Golf R boasts the latest generation Electronic Stability Programme (ESP) with Brake Assist and Electronic Differential Lock (EDL). Coupled with this are Electronic Brake-force Distribution (EBD), Anti-Spin Regulation (ASR) and Hill-hold Assist. Front, side and curtain airbags with a knee airbag for the driver, safety-optimised head restraints and ISOFIX child seat preparation at the rear ensure all passengers travel in safety.

## DESIRABLE DESIGN

From any perspective, from every angle, the design of the Golf R exudes unadulterated assertiveness. Whether it's the gloss black grille with LED daytime running lights in the front bumper, the body-coloured flared side sills, the pronounced rear spoiler or its chrome twin exhausts placed assertively in the centre of the rear diffuser, there can be no mistaking that the Golf R means business on the road.

## INTRIGUING INTERIOR

The ultimate driving thrill in supreme comfort. Sportiness and luxury combine in the cockpit of the Golf R. The heated leather sport seats support the driver, while the leather multi-function steering wheel and aluminium gearshift handle are inviting to touch. Chrome detailing, blue dashboard lighting, grey stitching and the R emblem add a touch of class to the ferocity.

## FRUGAL FUEL-ECONOMY

Can a car this powerful really be this efficient? Thanks to the cutting-edge technology in its small but advanced Turbo-charged Stratified Injection (TSI) engine, the Golf R shows remarkable fuel economy: a mere 8.4ℓ/100 km (equivalent to 195 g/km of CO<sub>2</sub>). All of which means it provides unbelievable performance with a clearer conscience.

## POWERFUL PERFORMANCE

Consult a cardiologist before putting your foot down. The 2.0 TSI engine packs 188kW of pure refined fury, propelling the Golf R from 0 to 100 in a hair-raising, pulse-racing 5.5 seconds (DSG® model). Add to that a maximum torque of 350Nm between 2,500 and 5,000rpm and a top speed of 250km/h and you're left with one nagging question: can your heart handle it?

# New Golf R

A menacing combination of pulse-racing performance, assertive lines, sporty luxury; the New Golf R is the ultimate expression of refined fury.

## Range Features

A 3-year / 120 000km warranty and 5-year / 90 000km AutoMotion Service Plan come standard with both models.

### Powerhouse

- ▶ 2.0 TSI 188kW engine
- ▶ 6-speed manual gearbox or Direct Shift Gearbox (DSG®)
- ▶ Turbocharger
- ▶ R sports suspension
- ▶ 4Motion® all-wheel drive

### Safety and Technology

- ▶ Anti-lock Braking System (ABS)
- ▶ Electronic Brake-force Distribution (EBD)
- ▶ Electronic Stability Programme (ESP) with Brake Assist & Electronic Differential Lock (EDL)
- ▶ Anti-Spin Regulation (ASR)
- ▶ Hill-hold Assist
- ▶ Park Distance Control (PDC), front and rear
- ▶ Airbags: dual front, side (front), curtain (front and rear) & knee (driver)
- ▶ Adjustable safety optimised head restraints
- ▶ Head restraints & 3-point seatbelts in rear
- ▶ Side impact bars

### Sporting Exterior

- ▶ Colour-coded bumpers in sports design, with gloss black lower grille intake & rear diffuser
- ▶ Flared sports side sills

- ▶ Side mirrors in gloss black
- ▶ Bi-Xenon headlights
- ▶ Dynamic headlight height adjustment with dynamic bending lights
- ▶ LED daytime running lights in lower front bumper
- ▶ Integrated rear boot spoiler, pronounced sports design
- ▶ Twin-centred exhaust pipes
- ▶ Gloss black brake callipers with R emblem
- ▶ Dark red sports design tail-lights with LED technology
- ▶ Aluminium door sill plates with R emblem
- ▶ Talladega 19" alloy wheels (235/35 tyres)

### Interior and Comfort

- ▶ 2-zone Climatronic air conditioner
- ▶ 3-spoke leather multi-function steering-wheel with gloss black inserts, art grey stitching & R emblem
- ▶ Top sports seats in Vienna leather with R emblem
- ▶ Aluminium gearshift knob with leather boot & handbrake handle with art grey stitching
- ▶ Decorative Silver Lane dashboard & door inserts
- ▶ Aluminium foot pedals
- ▶ Multi-function computer

- ▶ Servotronic® speed sensitive power steering
- ▶ 'RCD-310' radio/CD with MP3/WMA compatibility & 8 speakers
- ▶ Front and rear floor mats with art grey edging

### Optional

- ▶ Adaptive Chassis Control (DCC)
- ▶ Racing Bucket seats in Alcantara/Vienna leather combination
- ▶ Electric sunroof
- ▶ Colour touch screen 'RNS 510' Satellite Navigation
- ▶ 'RCD-510' radio/CD with MP3/WMA compatibility & touchscreen
- ▶ 'RCD-510' radio/CD with DynAudio "Excite" sound system
- ▶ Bluetooth cellphone preparation
- ▶ "Rear Assist" Rearview camera
