

We strive to bring more smiles to even more dreamers, especially those who find themselves confined to a hospital ward. The pressure placed on these children by their illness impacts their childhood significantly.

You can help us bring some cheer to hospitalized children fighting a life threatening illness. By purchasing a bear through our Show You Care Send A Bear project, you will provide a warm cuddly friend and bring joy to a hospitalised child fighting a life-threatening illness. The bear provides a welcome distraction from the rigor of treatment and is ay snugly friend for a hospitalised child whose family may not always be around to comfort them.

The price of the bear is R100 and the purchaser will receive a thank you bear certificate and the dream child will receive the bear with a tag acknowledging who sent them the bear. Thank you for believing in the power of dreams, your acts of kindness and generosity go a long way in inspiring hope in a child fighting a life-threatening illness!

PROJECTS - SHOW YOU CARE, SEND A BEAR
