

Guest Amenities is a competitive industry and you have your choice of many suppliers.

### **We believe the following 5 reasons make us the ideal partners:**

1. We supply products that are manufactured in South Africa, nothing is more important for our economy
2. Our products are free from parabens, silicones and harmful chemicals
3. Products are not tested on animals
4. We offer the widest off the shelf range with exquisite fragrances, more than 10 to choose from and we can custom design your range of guest amenities.
5. Above all else we believe our level of service and the quality of the products we offer will secure us as your supplier of choice.

*Personalize your range of amenities – initial artwork fee of R500 excl vat, once off.*

#### **PERSONALISED COLLECTION**

Looking for authentic and cost effective branding? Our talented in-house print and design team help bring your brand alive.

- Please note our minimum quantity order of 100 units.
- A vinyl label of your logo is adhered onto the amenity of your choice.
- Expect a lead time of five to seven working days from art work sign off.

Do a trial at no extra cost – send us a jpeg of your logo & details. The design team will produce a “work of art” designer label for your consideration and you will be under no obligations to accept.
