“The secret of “good” pasta is in the selection of the best durum wheat semolina.” - *Alessandro Pisani*

All of our pasta is made exclusively from durum wheat semolina. In this selection we place the utmost attention to:

The Colour that has to be translucent and intense.

The Protein contained in the semolina, that forms a strong network to retain all starch and nutrients.

The Gluten quality that is elastic, tough and not very extensible.

The Health benefits of our pasta, produced in full compliance with regulations regarding ingredients, hygiene, processing, commercialization and conservation.
