Our tomatoes are 100% Italian and come from local farms. Thanks to the presence of the extensive farming in our area, we are able to select best variety of tomatoes, follow the growth of the vegetable and produce peeled, diced, passata and tomato paste.

All tomatoes used in our production must pass a tough selection procedure. Our strict quality standard involves the selection of only the best products that must have the following qualities:

**Skin, intact and smooth**

**Hard**

**Freshy juicy**

**Proper colour and fragrance**
