Pick n Pay - Gordon's Bay

13th ROTARY GOLF CLASSIC AT STRAND GOLF CLUB ON FRIDAY 31st OCTOBER 2014

Dear Patron

The Rotary Club of Gordon's Bay has a number of projects which uplift our community and the money raised from its 13th Golf Classic will be allocated to these projects. The following projects (amongst others) have benefitted from your generous support of our annual Golf Days.

We thank you for this support and wish to invite your sponsorship again this year.

CHILD LITERACY: The Rotary Club of Gordon's Bay initiated a literacy project together with the Stellenbosch University which has made huge strides in literacy and numeracy development with children. A very successful project with the scholars at Temperance Town Primary School is ongoing.

ROTARY FAMILY HEALTH DAYS (Annual Event): The Rotary Club of Gordon's Bay, assisted by The Dept of Health (WC) provides facilities for the following health issues to be available to members of the community: HIV testing and counseling, TB symptomatic screening, Diabetes and blood pressure screening, polio and measles vaccinations, de-worming, vitamin A tablets, eye screening, Family planning, Oral hygiene and Sonar screening in pregnancy.

SUPPORT OF various organizations especially with focus on economic and community development. Including, inter alia, **NSRI** and **PATCH**, as well as **Rotary International Foundation & Polio Plus**.

SENIOR CITIZENS: Continued support of the elderly in our community.

COMMUNITY UPLIFTMENT CENTRE: The Yellow Door: Renovation of the Community Hall In Temperance Town for the use of various Community activities and projects, encouraging education, economic and social development of the entire Community.

FAMILY ABUSE: Triage Centre Safe House: Specializing in many disciplines: i.e. legal, social, medical, psychological, law enforcement and social services.

ANIMAL WELFARE: Supporting The Gordon's Bay Animal Welfare Society with: sterilization, food and inoculations.

NGOs, including ourselves, are dependent on funding from the private sector.

With ever escalating costs and the increasingly difficult economic climate, it has become more and more difficult for us to sustain ourselves and to provide the much needed services in our community.

Rotary's motto of "Service Above Self" entreats us to ensure that these organizations are indeed sustainable and will continue to carry out their sterling work.

We ask you, as Responsible Corporate Citizens, to assist us in helping the needy in our community by sponsoring our Golf Classic fundraising project.

Assistance can be given in any of the following ways:

SPONSORSHIP:	Tee Boxes:	R 750.00 each
	Greens:	R 500.00 each
	Practice Putting Green	R 1 500.00
