## **RE: LETTER OF NOTICE TO ALL OUR SUPPORTERS**

It has recently been brought to our attention that there is a fairly new NGO based in the Western Cape that has a similar sounding name to our organisation.

Palliative Treatment for Children South Africa otherwise known as Patch SA is doing tremendous work by providing specialized care to children with life-threatening illnesses.

Our organisation, PATCH/Helderberg Child Abuse Centre, known to most as PATCH, has and continues to receive many enquiries which have essentially been for Patch SA and vice versa. Many seem to think that Patch SA forms a part of PATCH and therefore much confusion has been caused since the establishment of Patch SA in September, 2013.

Although we greatly admire the work Patch SA is doing, we simply wish to inform you of this situation so as to avoid any confusion on your part that may be created as a result of these two names sounding the same.

Should you have any queries regarding this situation or wish to know more, please do not hesitate to contact us at any time.

Sincerely

**Mr. Mervyn Traut**  
**Chairman**
