R339 each

Annique's Rooibos Lifestyle Shake is a delicious supplement drink with essential vitamins and minerals to boost energy!

SUPER SHAKE

"I just wanted to share how great the Lifestyle Shake is. I went through the entire Ramadan on only Lifestyle Shake and Rooibos teas in the morning. Occasionally, I would feel a little hungry, but nothing major. After having used the Shake for close to 29 days, continuously, I feel lighter, thinner, refreshed and my body feels detoxed. What a great addition to my meal plan."

"I suffer from chronic sinusitis and had been on antibiotics, cortisone and numerous sinus medications for over 8 months, but nothing worked! When I saw that the Annique White Superfood helps for sinus, I immediately started to drink 2 a day. Five days later my sinuses were completely cleared and open. Annique's garlic and Green Rooibos combination definitely works like magic."

TWEN-TEA

"When my husband and I don't drink Relax (Rooibos & Jasmine) and Night Rest (Rooibos & Melissa) teas we struggle to get to sleep. Green Rooibos tea also works wonderfully as an iced tea. I have used it with success at park runs and people were surprised at how delicious it was. I have also used it at big netball events and the children lined up for it."
