FNB – Plettenberg Bay

Branch Code: 210514

Account Number: 53371029308

Reference: Please put your child's name followed by Art or Aftercare or Ecoclub

Eg. Dylan ART

ART CLUB:

Extra Art classes are offered to all children above 4 yrs. Children are given lessons in ceramics, sculpture, drawing, painting and general craft making. We use a variety of mixed mediums to encourage children to explore their creativity in different ways. A maximum of 10 children per class.

- Fees include the provision of art materials.

ECO-CLUB:

Eco-club is offered to all children above 4 years.

Children thrive in programs that incorporate the diverse and open-ended environment of the outdoors. In modern society many of our children spend too much time indoors in front of screens. As such we encourage children to get actively involved in outdoor activities.

Eco-club keeps children in touch with nature through active ecological education within the surrounding natural environment. Plettenberg Bay, with 7 unique eco-systems and Robberg and Keurbooms nature reserves right on our doorstep, provides the ideal environment to facilitate educational excursions to promote the importance of nature conservation whilst encouraging healthy physical development.

Each week children go to a different venue: beach, forest, wetland, lagoon etc. Children are transported in the school vehicle and returned to the school. The club can accommodate a maximum of 9 children.

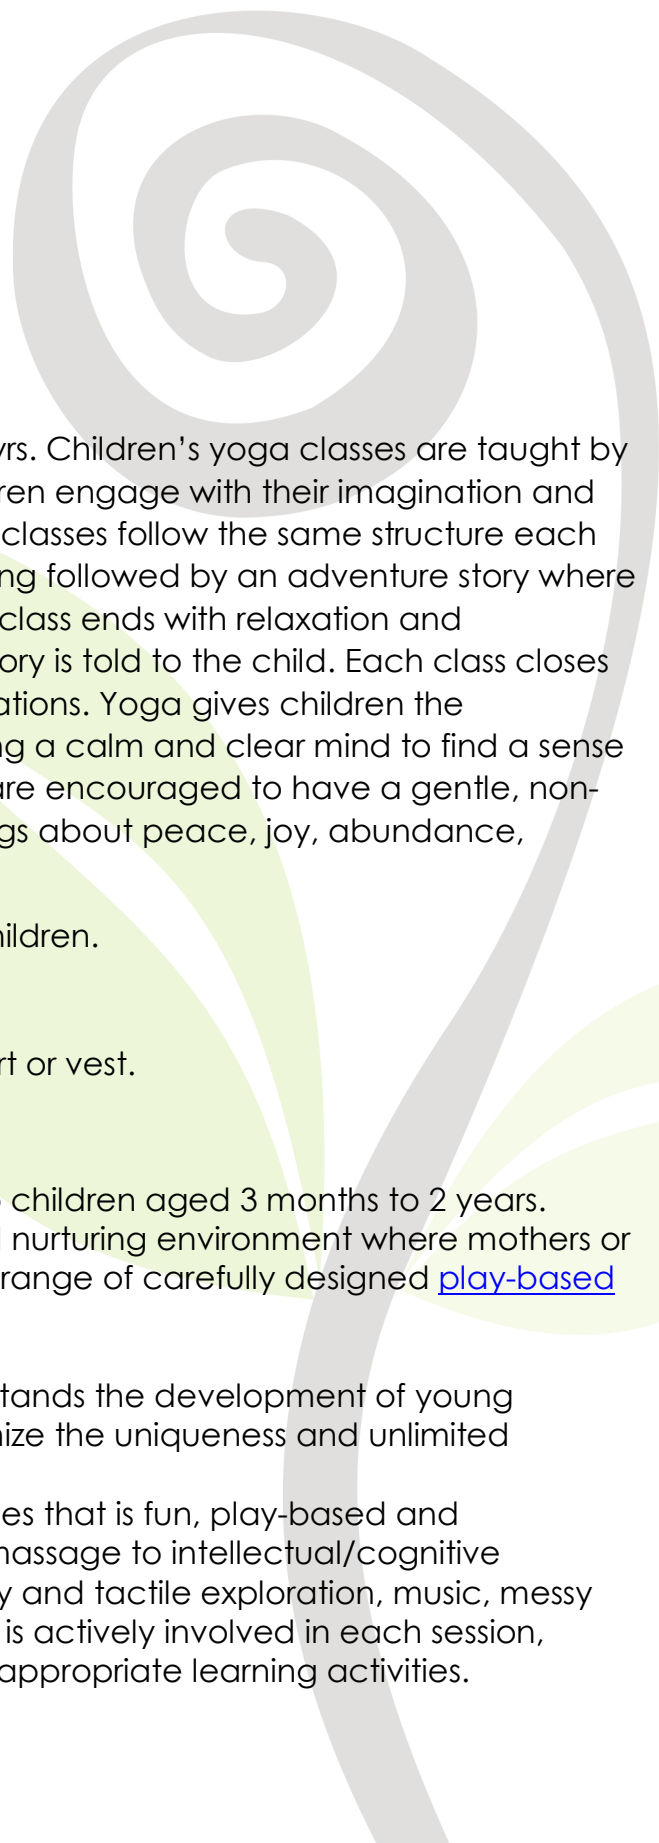

Children to bring:

- Small day pack with a snack, sun hat, warm top and water bottle.
- Good shoes for hiking/walking

In the event of rain. Eco-club will be cancelled and you will be credited for that day. Please note that our aftercare service will be available at a cost of R30 per day should you require this service on rainy days.

YOGA:

Yoga classes are offered to all children above 3 yrs. Children's yoga classes are taught by telling an interactive adventurous story. The children engage with their imagination and creativity while having fun and being playful. The classes follow the same structure each week, opening the class with stillness and breathing followed by an adventure story where the children move through various postures. The class ends with relaxation and visualization where soothing music or a positive story is told to the child. Each class closes with a coming to together sharing positive affirmations. Yoga gives children the opportunity to gain self-awareness while achieving a calm and clear mind to find a sense of wellbeing. Through regular practice children are encouraged to have a gentle, non-judgmental relationship with themselves that brings about peace, joy, abundance, flexibility and balance.

The class can accommodate a maximum of 7 children.

- Yoga mats are provided
- Children to dress in leggings or shorts with a t-shirt or vest.

MOMS AND TOTS

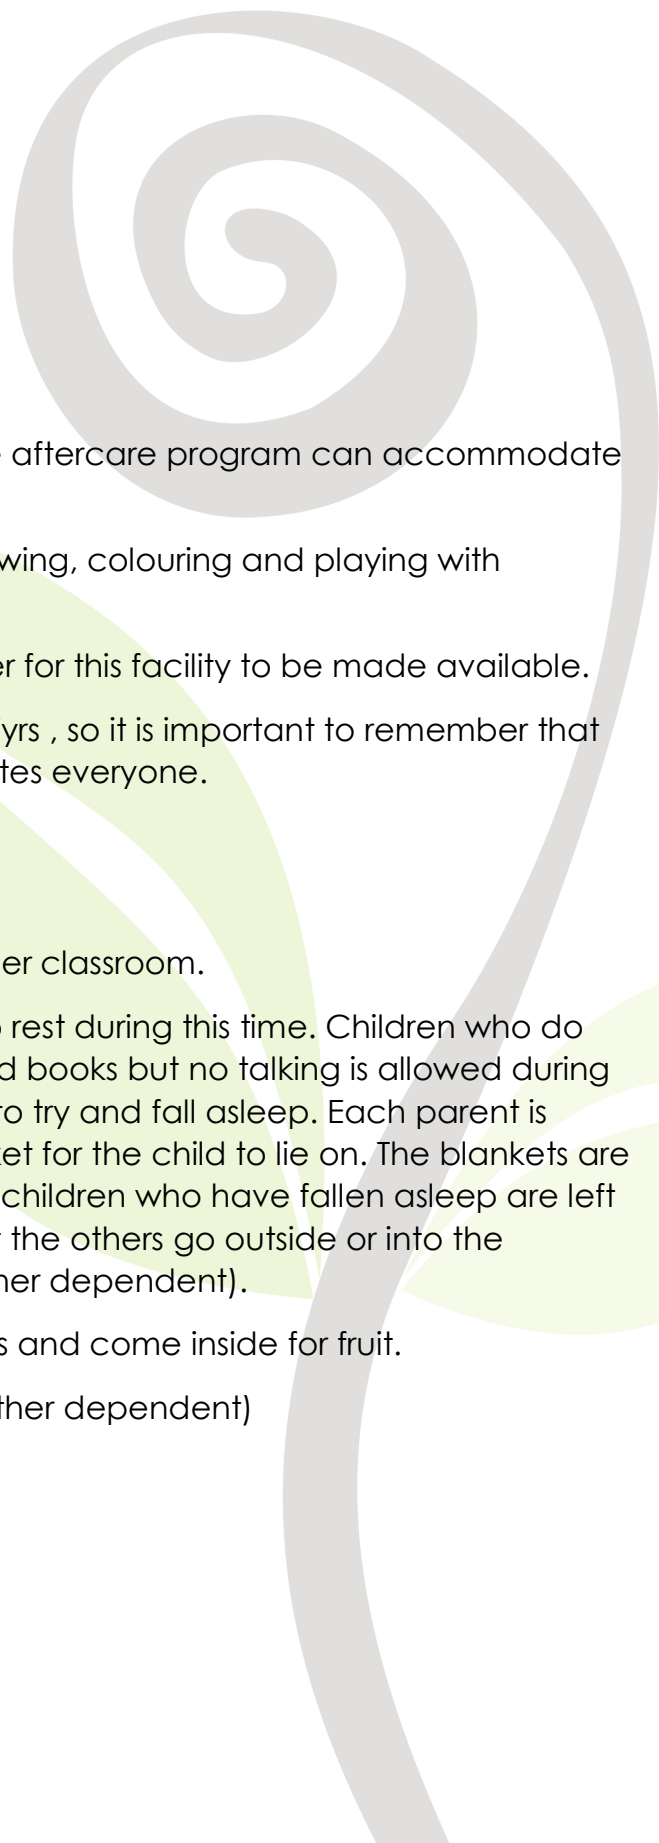

The Moms Baby & Toddler playgroup is offered to children aged 3 months to 2 years. This weekly 45 minute class offers an intimate and nurturing environment where mothers or caregivers and their young children engage in a range of carefully designed [play-based activities](#).

The [small group](#), is led by a facilitator who understands the development of young children, and the activities are designed to optimize the uniqueness and unlimited potential of each child.

Each class involves a variety of stimulating activities that is fun, play-based and encourages mother/child bonding. From baby massage to intellectual/cognitive activities, fine and gross motor stimulation, sensory and tactile exploration, music, messy play and art exploration. The parent or caregiver is actively involved in each session, guiding and encouraging the child through age appropriate learning activities.

AFTERCARE:

Aftercare is available from Monday to Friday. The aftercare program can accommodate a maximum of 15 children.

Children participate in outside play, reading, drawing, colouring and playing with puzzles, blocks and lego.

A minimum of 4 children will need to enrol in order for this facility to be made available.

Children range between the ages of 18mths to 7yrs , so it is important to remember that we need to create a program that accommodates everyone.

As such the program is as follows:

Aftercare Program:

- | | |
|-------------|--|
| 12:45 | Children eat lunch in the toddler classroom. |
| 1:00 – 1:30 | Rest time. ALL children have to rest during this time. Children who do not sleep are permitted to read books but no talking is allowed during this time as the toddlers need to try and fall asleep. Each parent is asked to provide a small blanket for the child to lie on. The blankets are kept at the school. At 1:30 the children who have fallen asleep are left to sleep in the classroom whilst the others go outside or into the preschool class to play. (weather dependent). |
| 3:00 | Fruit time. Children wash hands and come inside for fruit. |
| 3:15 | Outside play/ Inside play (weather dependent) |
| 4:15 | All children to be collected. |
| 4:30 | Aftercare closes. |
