# HOW IT WORKS

## YOU CONTACT

You place your order via call/whatsapp on **082 077 0240**

Please inform us of any delivery preferences.

## WE PREPARE

Our small Kitchen Team will prepare your order, whilst following strict Hygiene Protocol.

## WE DELIVER

We will deliver your order according to your instructions.

Please allow up to an hour for delivery.

## YOU PAY

Our Team Member will be armed with a Credit Card Machine that will be sanitised in your presence.

# OUR SAFE DELIVERY PROTOCOL

- Our Team Member wears a mask, and carries a personal bottle of Hand Sanitiser at all times.
- Upon arrival at the delivery address, the Team Member will stand at a safe distance. Customers are encouraged to wear their masks.
- The customer will pick up their order, and check the contents.
- The Team Member will then sanitise the card machine and prepare it for the transaction.
- The customer will then simply tap, insert or swipe their card. If a PIN is required, the Team Member will hold out the card machine so that the customer can enter their PIN without having to handle the card machine.
- The Team Member will then sanitise their hands and leave.

# HOW WE KEEP YOU SAFE

## SANITIZE

We follow the required Hygiene Protocols recommended by our Government, The WHO and our chemical service provider

## STAFF SOLUTIONS

We will only be operating with Skeleton Staff, who either live on site, or have their own transportation.

## INGREDIENTS

Locally sourced ingredients are delivered to our premises and sanitised on site according to strict Hygiene Protocols.

## DELIVERY

Strict Hygiene Protocol will be followed before, during and after delivery to each of our valued customers.
