## CHARDONNAY

**Ataraxia** R595

HEMEL-EN-AARDE RIDGE

In the most accurate and faithful way possible, our wooded white wine mirrors the terroir in which our Chardonnay vines are grown. In other words, it is an expression of the low vigour, stony, clay-rich Bokkeveld Shale derived soils and the heavily maritime-influenced climate.

**Hartenberg Estate** R320

STELLENBOSCH

On the bouquet the wine shows alluring aromas of white pear, elderflower and subtle hints of toasted vanilla and white flowers. The palate is fresh yet creamy with ripe pear and citrus acidity following through. Well-integrated oak with a toasty and lingering finish.
