Press release:

5 July 2016

Match: ORC Griquas vs Steval Pumas

Venue: Griqua Park, Kimberley

Date: 7 July 2016

Kick-off: 19:00

One of the hardest clashes yet this season await the Steval Pumas when they will travel to Kimberley for the third last match in the Inter Provincial Qualifier series against the ORC Griquas. Head coach of the Steval Pumas had to make one forced change after Hennie Skorbinski injured his quad late last week.

“This will be the test of all tests. Kimberley in the best of playing conditions is never easy and Thursday evening won’t be any different. But we are confident after a good week’s rest. The energy in the camp is awesome, especially after a brilliant performance against the Kings two weeks ago. We have selected one of our most senior squads for the season and yes, the fact that there are a couple of former Griqua players in our midst, will certainly be an advantage,” Mentz commented.

15. Heinrich Steyl
