

**FOUNDATION FOR CHILDREN WITH A HEARING LOSS  
ANNUAL GOLF DAY  
28 MARCH 2014  
ZWARTKOPS GOLF ESTATE**

Dear Sir/ Madam,

The Foundation for Children with a Hearing Loss in Southern Africa established the Eduplex Pre-Primary and High School in Queenswood Pretoria. The mission of the Foundation is to act as a change agent in the education of deaf children internationally. For this reason the Foundation established the Eduplex School, where we teach deaf children to speak and learn alongside their normal hearing friends, in a mainstream school environment.

The Annual charity Golf Day will take place on 28 March 2014 at Zwartkops Golf Estate. This event will be well-managed that promises to provide excellent marketing opportunities and a fun filled golfing experience. We like to invite you to participate in this day through the following means to make this Golf Day successful. We would like to offer you the opportunity to be a title sponsor or sponsor a hole, auction prizes, half-way house and/or prizes for the prize giving function.

Competition format: Better ball Stable ford – R3550.00 per 4-ball. This will include: Golf shirt, Green fees, Halfway House and an Auction Dinner.

Our MC for the day will be Paul Harris. Paul will also be playing the day. Any players that would like to play with Paul the highest bid will be accepted.

All proceeds will go towards cochlear implants and bursaries for underprivileged deaf children. This will enable the children to become independent adults one day, not having to rely on sign language for communication.

Please contact Suzette de Beer at (012) 333-3155 or 084 602 4310 for the life changing experience of becoming part of this miracle alternatively contact James Ferrans 084 252 6373 james@theskillsfactory.co.za or Warren Ansley 073 137 0606 warren@theskillsfactory.co.za to make a booking.

Thank you for your kind consideration!

Yours faithfully
