

## TEMA: Spring / Golf

### Het jy geweet?

The modern game of golf originated in 15th-century Scotland.

A "round" of golf typically consists of 18 holes that are played in the order determined by the course layout.

A maximum of 14 clubs is allowed in a player's bag at one time during a stipulated round.

A hole in one (or an "ace") occurs when a golfer sinks his ball into the cup with his first stroke from the tee

### AHi Nuus:

AHi Business Congress and Expo  
9 & 10 Oktober  
Imbizo Sibaya Konferensie Saal  
Tema sal wees "What it takes for a Business to thrive"

### Internasionale Nuus

Wildlife poachers, hindered by India's efforts to protect majestic endangered animals including tigers and rhinos, have begun to think smaller. And activists say scores of the country's lesser-known species are vanishing from the wild as a result.

The Indian pangolin, a scaly critter whose defense mechanism of rolling up into a ball is no help against humans and the star tortoise a popular pet that maxes out at a foot in length, are just two of the species that are being killed or smuggled in increasing numbers while conservation efforts focus on such iconic animals such as tigers and elephants.

"The problem is that we were turning a blind eye to all lesser-known species and suddenly this very lucrative trade has been allowed to explode," said Belinda Wright, director of the Wildlife Protection Society of India, an advocacy group.

### Woord van die sakekamer

Marketing, Networking, Building Business relationships, Economic updates etc. are just some of the many advantages of being part of the Vanderbijlpark Business Chamber

September 2014

# Sakekamer Posbus

## WORD OF THE CHAIRPERSON

We all experience the change in weather.....Spring is here!!!!!!

Just as nature springs to life we at the Chamber are experiencing a new energy in the daily business of the Chamber. The focus on development or maybe we should say the lack thereof becomes more eminent in our discussions with the local municipality.

We need answers sooner than later. All members should be aware that with the support of SGRIF and various stakeholders momentum are created to address our sewer problem in Sedibeng. A new LED (Local Development Plan) is being drafted and the Chamber is playing a crucial role in developing a workable plan.

Please go the following link and complete a very important survey: [www.sgrif.co.za](http://www.sgrif.co.za)

Graag wil ek aan elke lid dankie se vir sy haar ondersteuning en soms positiewe kritiek ook. Die Sakekamer behoort aan julle!!!!

Sakekamer groete/greetings  
Klippias Kritzinger

## GEBEURE VAN DIE MAAND

### Matt's Foundation Annual Golf Day

MV Communications is organising the Matt's Foundation Golf Day on 17 October 2014, at Riviera on Vaal Country Club in Vereeniging.

The Golf Day will be held in support of Matt's Foundation. The purpose of the foundation is to assist in making a difference to under-privileged children's lives in our community, by raising funds or goods through giving circles; donations, events and grants. Funding community-based organizations working with
