Make over

Our finalist and Winner 2014

Dear redactor,

To start my motivation of my past experience during the last week, I would love to thank the following

Sponsors for my dream make over, a huge thanks goes to Satten faces for my facial, secondly I would like to thank Lady Monroe's for the effort in doing my hair, and also Charmaine from Dairy Photo. Last but not least my most thank full for TOP VIBE MAGAZINE for choosing me in the competition as a finalist!!

I'm a young lady 30years of age, I'm currently working in n pharmacy in the Vanderbijlpark area.

In my younger years, I matriculated in Pretoria at High-school Wonderboom, and a few years ago I have moved to Vanderbijlpark to help my father who was sick at that stage, and decided to stay in Vanderbijlpark when I met the man of my dreams. My father passed away last year during May month just after his 66 birthday, this taught me a big lesson in life that nothing we have, is for granted. We are also just here for a certain time, and that we should take all the chances we possible can and never stop believing in ourselves!!

In the last year of my live I've went to some extremes in taking chances in things I would have never done before, I guess that's why I ended up in being one of the lucky contestants.

As and about myself I come from a family of three children whereby I'm the youngest, we are two sisters and a wonderful brother who is always there for the best advice when we reach rock bottom...sometimes I wish I knew where he got his knowledge from...never the less my mother is still with us and I thank God for her every day. She is still situated in Pretoria. Big things is coming up in the next few months for me as I'm getting married early in November month, we have no kids yet as to those gifts will be given when God places his plans for our future. This is a kind of awkward letter to write, because I normally do not speak of myself and my background.

My main motto in life is: "if your dreams don't scare you, they not big enough"

Last but not least, I'm thankful for the opportunity to take part in the competition, and may the best contestant win!

All my love, BLESSINGS AND I WISH A BIG SUCCESS FOR TOP VIBE MAGAZINE!
Regards Christelle.

Who are we?

Our Ministry, 'In Sy voetspore / In His footprints' is an independent registered charity organisation.

*In Sy voetspore
In His footprints*

Hannelli Kruger and Kotie Aspin are the founders. Our prophetic colours are purple for Kotie and blue for Hannelli. The number 50 played a prophetic role as given by scripture in Ex 26:1-6.

We aim to help the underprivileged in our community, we care for our people that suffer.

Our passion is children, and individuals, they are part of the future of our Country. We want them to grow up with confidence, and to deal with the idea to do "more with little"

We do it with educational programs, group courses and personal one to one courses. We see the potential in every person and try to obtain it to the fullest. We give food and clothes, we depend on sponsors for it.

Our Goal/ vision is:

Uplifting the needy and unprivileged people, equip. people with life skills, social and financial aspects.

Alleviate poverty, provide food, clothes and other necessities donated by sponsors.

Image boosting courses, HIV/TB/cancer uplifting, Spiritual and emotional welfare, Daycare center.

Our needs:

A place to do uplifting and provide work through various projects like gardening, embroidering, image building etc. To hold fund-raising events to in money. To do presentations to groups, Toys for coming Christmas.

A light delivery van (law bakkie) any financial support for fuel, air-time and vehicle support.

Entrepreneurial Quarterly Market:

To give people opportunity to sell their handmade items at the Quarterly market at Pick a Pay center Sasolburg to "fish" for themselves.

We give upcoming singers and artist the opportunity to develop their talent and get the necessary public exposure.

Please take the time to come and meet us on the 18th of October 2014.

Courage to succeed

The saying goes if you have the courage to succeed you are already half way. I believe that if you have the humbleness and courage to put your success or breakthrough into God's hands you are already halfway.

You then just have to ask Him to lead your steps to success.

This action is a leap of faith and you taking the 1st step. God says if we take the 1st step he will take a step towards us.

Even though it may seem to be a leap into the unknown, faith is not a leap into darkness but a leap into the light, God's light.

The challenge is to have the ability to leap and just like a long jumper we need to exercise and stretch to be able to leap.

We know that "faith comes from hearing, and hearing by the word of Christ" (Romans 10:17), so the more we mediate and hear God's word the more we exercise and develop our ability to stretch or take a spiritual leap of faith.

You just need a little more faith than the pit of fear and doubt holding you back from success. Humbleness only comes by fasting. In Hebrew they always link humbleness with fasting.

Faith is absolutely essential for salvation (Romans 5:1; Hebrews 11:6).

This all started on the 22nd August.....

I was driving my normal road, to my kids normal school, on this normal day, until a man in a Ford Ranger with a small man syndrome decided to spoil my normal life for +- 3 days....

As I needed to turn right in a single lane to the school yard, I had this Ford Ranger Dude, appear from nowhere like a bat out of hell who made a point in squashing between myself and the pavement, to turn right to drop his kid at school.

Which I thought to myself "Lills just chill that's ok" I can tolerate this horrible man for today as this is Friday....But then again this happen again on Monday where this man not just nearly bump into me but sort of push my car nearly of the road.... And by an intersection decided to cut me off, nearly cause me to have an accident, and speed pass me to do the same to another car at a different intersection (Then I thought to myself, due to the fact that he is such a small man behind such a big bakkie he cannot see what is going on around him, or that my car might have a This all started on the 22nd August.....

By the next morning I was prepared for this dude, I have made sure that I put flat shoes on, I have fasten my seat-belt, and ready for this short man syndrome dude , only to find out that yes there he is again.... As I have tried to stay out of his way, again he drove like a maniac, pushing nearly every one of the road, and that is where I have decided I will chase after him just to give him a peace of my mind.... As I have continued to chase after him and know that he was about to turn right.... This stupid dude decides to turn from the right hand lane left onto the highway, nearly knocking over a poor pedestrian.... That is when I have realized that how bad this dude really drives and not taking anyone around him in consideration and that he was working me up so much, that just thinking of him let the hair on my back stand up straight.....

And this is why I would need a day at the spa to make sure that I would never think of chasing after such a reckless driver again.... sticker saying "I liked being pushed...of the

My Kommin Troon

Ek sit so op my troon en bekyk die mense om my en ek is bevrees dat ek gaan af val!

Eintlik is my storie effe hartseer die keer. Ek staan nou die dag in 'n winkel en sien die vrou by die till lyk bekend, maar tussen die vreeslike blonde hare, oordoende make-up en m****e eyelashes kan ek haar nie regtig sien.

Ek bekyk haar toe nou maar van onder tot bo om te kyk of ek iets bekend kan raak sien, maar al wat ek sien is platvorms (uit die 70's) 'n stywe broek en 'n te stywe top wat al die vetrolle wys met 'n "push-up bra" wat regtig werk - en ek kan sowaar **Betty Boop** nie agter kom van waar ek haar ken nie.

Toe sy omdraai om op een van die kinders te skree sien sy my raak, gryp my daar in 'n "vice grip" greep vas en groet klip hard. Baie opgewonde om my weer te sien!

Ek kry natuurlik amper stuipe want haar parfuum het my asem laat weg slaan....

Toe ek nou mooi agter die kap van die byl kom, besef ek dat ek haar op 'n ander geleentheid ontmoet het, saam met haar man.

Intussen is hulle nou uit mekaar en dis met die wat sy besluit het om die gedaante verwisseling te ondergaan.

Die "moral" van hierdie storie is. Mense, moenie soos Pamela Anderson aan trek as jy nie Pamela Anderson is nie!!! Dit werk nie.

Ek dink nie jou man het jou gelos omdat jy nie soos sy lyk nie en om nou te probeer gaan nie werk nie.

Hoe die ekonomie werk lag 'n slag!!!

Dis Junie in 'n dorpie in die Kleinkaroo.

Dis droog, warm en die dorpie lyk verlate. Dit is 'n moeilike tyd, almal is in die skuld en leef op krediet.

Skielik daag daar 'n ryk toeris op.

Hy stap die enigste hotel binne en sit 'n R100 noot op die ontvangstonbank neer as deposito en gaan met die trappe op om 'n kamer te gaan kies.

Die hotelbaas vat die R100 noot en haas hom na die slagter om sy skuld te gaan betaal.

Die slagter neem die noot en gaan betaal sy skuld by die varkboer. Die boer haas hom om met dieselfde noot sy skuld by sy verskaffer te vereffen.

Die hardloop gou en maak sy rekening skoon by die dorp se prostituut, wat in die moeilike tye selfs haar dienste op krediet aanbied.

Die vrou van die nag haas haar om haar rekening by die hotelbaas te betaal, waar sy gewoonlik 'n kamer huur om haar werk te doen.

Die hotelbaas vat die R100 en plaas dit terug op die toonbank.

Net toe kom die ryk toeris terug, neem die noot omdat hy nie met een van die kamers tevrede is nie, en verlaat die dorp.

Niemand het enigiets verdien nie, maar die hele dorp is nou sonder skuld! LOL.....

Wil jy 'n eier lê?
