Twee grade van moord.

Nuwe Afrikaanse film bring weer twee geliefde akteurs bymekaar op die grootskerm.

Die Suid-Afrikaanse film *Twee Grade Van Moord*, wat op 22 Julie 2016 in fliëkteaters landswyd open, sien vir die eerste keer in dekades die geliefde akteurs Sandra Prinsloo en Marius Weyers, weer saam op die grootskerm!

Die fliëk speel af in die Kaap met die bekende regisseur, Gerrit Schoonhoven, aan die stuur daarvan.

Aleksa Cloete (Sandra Prinsloo), is 'n bekende Kaapstadse sielkundige met 'n top verkoper boek, *Die Liefde Kwes Nie* wat haar intellektuele standpunt oor die liefde onderskryf, alhoewel haar lang en gelukkige huwelik met Ben (Marius Weyers) dit weerspreek. Hulle enigste kind, Christiaan (Roelof Storm), was geforseer om in sy grootwordjare baie staat te maak op die liefde van sy "tweede Ma", die lojale huiswerkster, Fy Abrahams (Shaleen Surtie-Richards).

Aleksa onderneem om deel te wees van 'n dokumentêre realiteitsreeks waarin daar gefokus word op haar terapeutiese werk onder vrouens wat liefde met pyn verwar en een van haar pasiënte, Tanya Basson (Hilda Cronje), stem in om die proef-koenyn te wees.

Ben kry 'n masiewe hartaanval en Tanya kom terselfdetyd by Aleksa se huis aan met die nuus dat sy haar kêrel tydens 'n geweldige argument vermoor het. Aleksa besef dat sy Tanya se emosionele toestand heeltemal onderskat het en op dieselfde tyd deel Ben haar mee dat hy 'n belangrike besluit oor sy eie toekoms en lewe gemaak het. Soos wat die verhaal vorder word Aleksa geforseer om haar eie integriteit te bevraagteken en ook haar bereidwilligheid oor wat sy sal offer vir die vir wie sy lief is. Op die ou einde moet sy die vraag antwoord: "Wat sal die liefde doen?"

"Prinsloo en Weyers as twee talentvolle akteure wat skyn in hierdie komplekse rolle om die ware en moeilike natuur van liefde op die silwerdoek te vertolk", sê Helen Kuun, Besturende Direkteur van Indigenous Film Distribution. Vervaardiger Barry Stick sê: "Hulle het in nog net vier films saam verskyn, waaronder die bekende *The Gods Must Be Crazy*" in 1981. Die laaste keer wat hulle saam in 'n film gespeel het was in 1989, wat *Twee Grade Van Moord* 'n langverwagte reunie van die twee uitmuntende akteurs maak, 'n mylpaal in Suid-Afrika se filmgeskiedenis".

Prinsloo se verhoog en film loopbaan strek oor dertig jaar. Gedurende hierdie tyd het sy hoofrolle in meer as 100 verhoogproduksies, agt vollengte films en talle televisie produksies vertolk. Sy het 'n reputasie as 'n uitstaande aktrise in baie lande oorsee, insluitend Engeland, Frankryk, Duitsland en die Verenigde Nasies. "De Kat" tydskrif het Prinsloo genoem as een van die honderd mees invloedrykste mense in Suid-Afrika en sy het ook die toekennings vanaf die Akademie vir Kuns en Wetenskap ontvang vir haar lewenslange bydrae tot teater in Suid-Afrika. Meer onlangs het sy ook haar eie geselsprogram "Sandra op 'n Drafstap" op kykNET aangebied, waartydens sy met prominente Suid-Afrikaners onderhoude voer.

Weyers is een van Suid-Afrika se mees bekende en geliefde akteurs. Sy uitstaande optredes op die verhoog en in films het hom volksbesit gemaak, in Suid-Afrika sowel as oorsee. Hy het reeds in meer as vyf-en-dertig vol-lengte films en een honderd teater produksies opgetree.

Sy vollengte film krediete sluit in: Warner Bros se *Blood Diamond* (Edward Zwick), *Catch a Fire* (Phillip Noyce), *Red Dust*, *Stander* en moontlik sy bekendste Suid-Afrikaanse rol, in Katinka Heyns se film *Paljas*. Hy het talle toekennings gewen en is ook vereër met 'n Medalje van Eer van die SA Akademie vir Kuns en Wetenskap vir sy bydrae tot teater.

Die fliëk sluit ook ander plaaslike gunsteling akteurs soos Shaleen Surtie-Richards, welbekend vir haar hoofrolle in die 1988 vollengte film *Fiela se Kind* en as Ester (Nenna) Willemsse in die M-Net sepeel *Egoli: Plek van Goud*

Patrizio Buanne set to steal a lot of hearts with his new album, *Viva La Dolce Vita*, including a special bonus CD for South Africans featuring hits with local artists.

The internationally acclaimed singer, Patrizio Buanne, is coming to South Africa for the tenth time. Boasting multiple platinum record sales, he is known for his unique voice and energetic performances. It comes as no surprise that this one of a kind singer has an enormous fan base word wide and is known as Australia's favorite Naples pop crooner.

For more than ten years now, he has been performing to sold out audiences, in Europe, Australia, South Africa, Russia and the USA. This includes performances for the elite, like, the Pope, Royal families and the former USA President, George W. Bush.

Patrizio is known for his romantic songs. But just because he's into romance, it doesn't mean that he is corny or boring. *"I grew up in my parents restaurant in Naples, Italy, listening to classics from the fifties and sixties. I always sang along, but when I was older, I decided to sing rock 'n roll. I was really good at rocking with the guitar and jumping around on stage, but the lyrics lacked depth. Lyrics need to say something, touch your heart,"* says Patrizio.

"Romance is about much more than candle light dinners and Valentine's Day. It's something shared between two people every single day, whether it is to hold hands, care for each other, to respect each other or helping in the kitchen, and yes, that includes washing the dishes," he teases.

"Romance is about following your heart without thinking about it too much. What's in your heart needs to come out of your mouth, and that's what I want to sing about."

The acclaimed heart throb, known as the Italian Tom Jones, is coming to South Africa on 19 July to promote his latest CD, *Viva La Dolce Vita*. The album is a celebration of the ten years since he released his first international album, *The Italian*.

Viva La Dolce Vita is his fourth international album, and like all the others, has already reached platinum status abroad. This is remarkable, seeing that music sales are very low worldwide. Well known Italian and English favourites like *'Surrender'*, *'Al Di La'*, *Il Mondo*, *Mambo Italiano*, *Un Angelo* and some new songs can be heard on the CD.

The album will be released in South Africa on 24 June, but, as a double CD because Patrizio has got a special ten year celebration surprise for his local fans – a bonus CD. Hits with local singers like *Liefling'* with Steve Hofmeyr, *'Always on my mind'* with Juanita du Plessis and *'Ek mis jou elke dag 'n bietjie meer'* with Corlea Botha can be heard on this special CD.

He will also be performing at Classics is Groot on 30 July in Pretoria. This show is produced by Coleske Artists, the guys behind the successful Afrikaans is Groot shows, and will focus on classic hits but with a modern twist. He will perform along other favourites like Jannie Moolman and Corlea Botha.

Although he is celebrating ten years since the release of his first CD, he has been singing for 25 years. *"Although I like to sing classic, I am not a traditional tenor, nor a classical singer. I enjoy singing about romance, lyrics that touch people's hearts. The fact that I have sold more than 5 million records worldwide is a bonus, because I am simply doing what I love."*

"There is always a lot of woman at my shows and of course a lot of men as well. The men know that they will score brownie points if they go along," says Patrizio and laughs.

According to him *Viva La Dolce Vita* is the perfect name for this album because it personifies his outlook on life. *"La dolce vita means 'to live the sweet life'. And that is my life. Not that my life is perfect, there is a lot of sorrow around us, worldwide. But I prefer to have a positive outlook on life, and that is what it is all about."*

"I want to make people happy with my music; there is a lot of positive energy in the lyrics. If I make my fans happy, I am happy. For fans it will be a thrill and for people who don't listen to my music, the perfect opportunity to get to know it," says Patrizio.

He loves our sunshine country and its people. *"It is so special to go to a country far away from your own home and then the people show you love, respect, support and like your music. What is not to like? And there are so many interesting cultures."*

He's got a soft spot for our wines, especially a good bottle of Pinotage.

Page 4.

"And on top of that the country is so beautiful with such great food. In Italy we always say, to eat is a necessity, but to enjoy food is an art."

When he has a gap in his busy schedule he also enjoys going on game drives.

Although he sings so passionately about love, true love is still eluding him. But he has far from given up on it. *"I travel a lot and meet a lot of interesting people. Who knows, perhaps one day I will meet the right one."*

"I am so grateful for being successful. That was never why I started singing, I purely sing because it is my passion and I truly believe that Viva La Dolce Vita is my best so far."

"This international singing sensation is going to be around a very long time so learn the face, learn the voice, learn the name...PATRIZIO!" – Larry King

The first single from the CD – *I will love you* – will be released to radio stations nationwide on 20 June 2016.

Gerard Rudolf

Gerard - Last Days of the Comeback Kid

During the last months, they said the Comeback Kid stopped reading newspapers, left them untouched and neatly folded next to his easy chair like a pile of fresh table cloths. They said, during the last weeks, the Comeback Kid lost all interest in hunger and thirst, ignored sustenance as if he was a holy man fasting for insight. They said he lost all sense of place, time, space, that he became a drifter, a man adrift, flotsam. During the last days, they said, the Comeback Kid slept almost nothing, emerged at noon, a retired boxer who'd had his fill of fights. They said the Comeback Kid became a man of halves: half asleep, half awake, half sad, half interested, half there, half not. By the last day, they said, the Comeback Kid was made of wispy things: skin rice-paper-thin, hair of cobwebs, limbs brittle as drift wood, leaf-flat body, reed-thin voice. Then, in his final hour, there were the last quivers, breath the sound of a canned blizzard. And during the last minutes, I imagine, the Comeback Kid became his own shadow, blue eyes black as squid's ink, arms flung open like a skydiver frozen in free-fall, a landscape gathering darkness at the end of a day.
