## **RACE INFO:**

The *De Vry Draf* offers a true Free State trail run experience: a variety of routes wind through open fields of cosmos, khaki bush and sorghum – the good stuff that gives our spirits great taste – past Highveld dams, amongst grazing cattle, along beautiful blue gums and over small bridge crossings. Mainly double track, with a taste of single, track there is bound to be something that appeals to everyone's trail running preference.

All routes start and end at the *De Vry Distillery* amid the craft spirit festival to take place on the day.

Athletes can look forward to clearly marked tracks and kilometer markers displayed every 2km. There will be 4 water points available on the different routes, including a halfway house at approximately 11km, where athletes can revitalize with music, snacks and Score energy drinks.

The first 200 athletes to cross the finish line will each receive a goody bag!
