OVERVIEW

CB Security was formed in answer to a growing demand for more specialized security services. Crime has escalated in South Africa and the nature of crime as changed drastically. Statistics indicate that crime has shifted from opportunistic petty crime to highly strategic syndicates and brutal offenses. CB Security officers are highly trained to react appropriately in volatile circumstances and be unobtrusive should the situation require.

CB Security was founded in 2007 by Coert Erasmus a specialists in VIP protection, guarding, crowd control & surveillance. They have embedded experience internationally in Serra Leone & Baghdad, 25 years in law enforcement and more than 15 years in the private security sector.

CB Security is a fully compliant BBBEE level 2 company

MISSION & CORE VALUES

Our mission is to supply a holistic, local & international protection service according to international standards.

We strive to build strong, professional & lasting relationships with our clients based on trust and confidentiality.

We promote a culture that strengthens the company as a unit with a solid foundation for the team to build upon with the following core values:

- Integrity
- Transparency
- Tolerance
- Internal Growth
