## Next Level Wellness Coaching & Consulting

***Impactify Wellness Coaching & Consulting, Value-Added Coaching Programme for Life Coaches.***

Add an “edge” to your current coaching programme.

Set yourself apart, give your coaching programme a boost and add value to your niche market!

*The Impactify Wellness Coaching & Consulting, Value-Added Coaching Programme, focuses on mind, body and soul development.*

Whether individual or corporate - the **Impactify Value-Added Wellness Programme** can be an addendum to any existing coaching programme.

Our unique 12-month wellness programme is available in user friendly PDF documents to be sent to your students over 52 weeks.

It is used in conjunction with and in addition to, your current, or future life coaching programme/s.

At Impactify Wellness Coaching & Consulting we realized that there are important topics and areas not covered in existing coaching literature and due to time constraints are unable to deal with them in addition to the standard courses or programmes on offer. As a result, we have developed an additional wellness programme for life coaches adding value to their current Life Coaching Courses.

### **Pricing:**

Once off R3000-00 gives you 12 months of additional course developed by Impactify Wellness Coaching & Consulting covering those topics generally not available in current programmes.
