# OUR AMBASSADORS

**DYNE MULDER**

Hallo Maats!

April, sjoe kan julle glo ons is al klaar met die eerste kwartaal van skool en die eerste kwartaal van die jaar. Kyk dit was nou vir jou 'n besige kwartaal. Ons het 'n harde en lang toets reeks agter die rug en in tussen het ek SA Regional Level 2 geswem en het my Level 2 gekry. Ek is super opgewonde ek het hard geoefen en al my harde werk het afbetaal. My volgende "Goal" is om Level 3 te kry in 2023 wat ek sommer weet ek sal kan bereik, met harde werk en fokus en my vertroue in God is enige iets moontlik. Ons vier die maand April waarin ons skoolvakansie het en moet sê wel verdien ook en ons vier Paasfees, wat lekker is, is al paaseiers wat ons kry maar in die selfde asem moet ons nie vergeet waarom Paasfees gaan nie. Dit is die opstanding van Jesus Christus wat na die derde dag na sy kruisiging uit die dood opgestaan het waar hy aan die kruis vir ons sondes gesterwe het.

Hoekom moet ons oefen?

Oefening is nie net voordelig vir jou fisiese gesondheid nie, maar ook vir jou verstandelike gesondheid. Ons almal beweeg teen 'n baie vinnige tempo en Tegnologie neem alles oor. Ons loop nie meer regop nie ons kom nie meer buite nie, ons eet ongesond want dit is gemaklik, ek moet bieg ek is ook skuldig aan van die goedjies maar het 'n punt daarvan gemaak om dinge te verander al is dit tree vir tree op die ou einde as jy al daai tree bymekaar sit het dit klaar groot verskil gemaak.

Daar is 4 belangrike goedjies wat jy moet onthou oor sport / oefeninge:

1. Jy is uniek, neem deel aan iets wat by jou pas.
2. Moenie bang wees vir oefening en sport nie.
3. Begin met klein treetjies.
4. Daar is baie tyd om 'n sportheld te word. Moenie dit oordoen nie.

Geniet die vakansie en veilig wees.

Groete Dyne 😊

Dear friends.

What is Bully?

Bullying refers to aggressive behavior. Bullying can happen at any stage of life, such as school bullying, College bullying, Workplace bullying, Public Place bullying, etc.

Many times it's not just the people around you that is bullying but the family to by making constant discouraging remarks.

Some reasons that people Bully is because they have an Emotional Trauma, they're Insecure or they've been Bullied. No matter what type of bullying you have experiences, it's painful. So here are some ways to deal with Bully.

- \* Acknowledge the behavior is unacceptable
- \* Don't bully back
- Or
- \* Tell someone STOP Bullies

Goeie dag maats  
Die maand wil ek hê ons moet bietjie stilstaan en dink aan Jesus.

Kom ons lees nou lekker saam na die storie wat gaan oor Paasfees.

Lekker lees maats

## Die Verhaal van Paasfees

Dis Paasfees in Jerusalem. Met Paasfees sê die Jode vir God dankie dat Hy hulle uit Egipte laat trek het, en vir hulle gesorg het. Dan slag hulle 'n lammetjie en eet spesiale brood.

Jesus en sy dissipels vier ook Paasfees, hy vra sy dissipels om 'n spesiale kamer daarvoor reg te kry. Terwyl hulle om die tafel sit sê Jesus vir sy dissipels dat een van hulle Hom gaan verraai. Een van hulle gaan Sy vyande help om Hom te vang.

Almal skrik, want hulle kan nie dink dat een van hulle so iets sal doen nie, hulle is dan almal lief vir Jesus. Jesus sê dat die een wat sy brood saam met syne in die skottel steek, die een is wat Hom gaan verraai - Judas steek sy brood saam met Jesus s'n in die skottel en staan dan op van die tafel en loop uit.

Jesus weet dat Hy gaan sterf. Hy wil hê ons moet altyd onthou dat Hy vir ons sondes gesterf het. Hy neem toe brood en breek dit en gee vir elke dissipel 'n stukkie. Hy sê: "Dit is my liggaam, eet dit en onthou My". Toe neem Hy die wyn, gee vir elkeen 'n bietjie en sê: "Dit is my bloed wat al julle sondes weg was."

Dit was die eerste Nagmaal gewees. Vandag vier ons wat in Jesus glo nog altyd die Nagmaal, want dan onthou ons dat God vir Jesus gestuur het om ons sondes weg te neem.

Nadat Jesus en sy dissipels klaar die Nagmaal gebruik het, gaan hulle na 'n tuin met die naam Getsemane toe. Jesus weet dat hulle Hom daardie nag nog gaan vang om hom te kruisig. Hy is baie bang, want Hy is God se Seun en Hy weet presies wat hulle met Hom gaan doen, en hoe moeilik dit vir Hom gaan wees. In die tuin bid Hy en vra God sy Vader dat as dit moontlik is, hierdie dinge nie met Hom moet gebeur nie, maar as God regtig dink dis nodig, dan sal Hy dit doen.

Hier in die tuin van Getsemane word Jesus deur die soldate gevang, nadat Judas vir die priesters vertel het waar om Jesus in die hande te kry.

Pilatus, die man wat moes besluit wat hulle met Jesus moes doen, het geweet dat Jesus niks verkeerd gedoen het nie. Toe hy die Jode vra wat hy met Jesus moes doen, het hulle geskree: "kruisig hom".

Nadat Jesus BAIE geslaan was, soveel so dat Hy nie eers meer sy eie kruis na Golgota kon dra nie, het hulle Hom aan die kruis vasgespyker. Almal wat rondom die kruis gestaan het, het met Hom gespot, en gesê ander kon Hy red, maar nie Homself nie, as jy God se Seun is, kom van die kruis af.

Jesus het nie, want Hy het geweet HOEKOM Hy aan die kruis hang, nie omdat Hy iets verkeerd gedoen het nie, maar vir elkeen van ons se sondes, sodat as ons HOM kies, dan hoef ons nie hel toe te gaan en self die straf vir ons sondes te kry nie.

Terwyl Jesus aan die kruis gehang het en BAIE swaar gekry het en almal met Hom lelik was en Hom gespot het, het Hy niks leliks terug gesê nie, Hy het net vir God gevra om hulle te vergewe, want hulle weet nie wat hulle doen nie.

Toe begin dit skielik donker word. Dit was nog middag gewees, maar die son het nie meer geskyn nie. Die aarde het begin bewe en die mense het bang geword, en hulle het nie meer gespot nie. Jesus sê toe: "Dit is volbring". Dit beteken: nou is die sonde klaar betaal, Jesus het satan oorwin en hy het geen mag meer ons nie. Op daardie oomblik het Jesus gesterf, en een van die soldate het geweet dat Jesus regtig God se Seun was.

Toe hulle 'n spies in Jesus se sy steek het daar net bloed en water uitgekome, wat vir hulle gewys het dat Jesus regtig dood is.

Na Jesus se dood het een van Jesus se vriende met die naam Josef na Pilatus gegaan en gesê dat hy Jesus graag wil begrawe. Hulle het sy liggaam gevat, dit in doeke toegedraai en in 'n rotsgraf gesit met 'n groot klip voor dit. Drie dae later, die Sondagmôre, het Maria Magdalena na Jesus se graf toe gegaan, maar toe sy daar kom was die swaar klip voor die graf weggerol, en die graf was leeg gewees. Sy het dit toe vir twee van Jesus se dissipels gaan vertel, en terwyl hulle daar was het hulle gesien dat die graf leeg was.

Maria was baie hartseer gewees en het nie verstaan dat Jesus leef nie, toe sy weer in die leë graf inkyk sien sy twee engele op die plek sit, waar Jesus gelê het. Hulle vra haar toe hoekom sy so huil, en sy sê sy weet nie waar hulle Jesus nou begrawe het nie.

Toe Maria omdraai staan Jesus voor haar, maar sy het nie geweet dat dit Hy was nie, want sy het gedink Hy is dood. Hy vra haar ook hoekom sy so huil, en toe sy Hom dieselfde antwoord as vir die engele gee, noem Hy net haar naam, en sy weet dis Hy en dat Hy leef!! Nadat Jesus met haar gepraat het, het sy gehardloop om vir die ander te vertel dat Jesus regtig opgestaan het, en dat Hy leef!!!

# Facts about Rabbits

## **Rabbit facts**

**A baby rabbit is called a kit, a female is called a doe and a male is called a buck.**

**Rabbits are very social creatures that live in groups. ...**

**A rabbit's teeth never stop growing! ...**

**Rabbits perform an athletic leap, known as a 'binky', when they're happy – performing twists and kicks in mid air!**

## **Facts about rabbits**

**A single bunny is a lonely bunny. ...**

**They can live for up to 12 years. ...**

**They're masters of hearing. ...**

**Their eyesight isn't bad either. ...**

**They're closer to wild rabbits than you might think. ...**

**Rabbits communicate using a secret code. ...**

**Baby rabbits are called 'kittens' ...**

**Rabbits and guinea pigs don't make good pals.**

## **What are rabbits explained to kids?**

**What is a rabbit? Rabbits are small, furry mammals characterised by their big, floppy ears and large back feet used for hopping around. They're also known for their fluffy tails and long front teeth. Rabbits are very successful animals and can be found in the wild on every continent apart from Antarctica.**

## **Do rabbits sleep at night?**

**Nope! Another question that people often ask is whether rabbits sleep mostly during the day or at night. And the answer is neither. They are crepuscular, meaning that they are most active at dusk and dawn.**

## **What do rabbits eat and drink?**

**Fresh, clean drinking water and good quality hay and grass should make up the majority of your rabbits' diet. A rabbit's digestive system needs hay or grass to function properly so a healthy supply is extremely important. You can supplement with leafy greens and a small amount of pellets.**

# Hobbies for Kids You Haven't Thought Of...

## Gardening:

Aside from the obvious appeal of a hobby that allows kids to get their hands dirty, gardening is also an excellent activity for mindfulness, so it will calm your kid down while providing a physical workout to boot. Bonus: You don't even need to have an outdoor space of your own for your child to put their green thumb to work, because time spent at a community garden can be equally rewarding.

## Volunteering:

Regular volunteer work is a crash course in compassion that teaches kids the importance of giving back to the community. It's also a fun way for kids to make new friends and meet interesting people from all walks of life. Plus, given the huge variety of volunteer opportunities available, this hobby will never get old.

## Chess:

This classic game of strategy provides a stimulating challenge at every level of play. The critical thinking involved in chess also has major brain-boosting benefits and kids can join chess clubs and compete in tournaments for some friendly competition as their skill-level increases.

## Yoga:

Yoga is a well-known and widely practiced activity that strengthens muscles, improves physical fitness and calms the mind—and it's not just for grown-ups. Yoga classes for kids are an excellent option for young people who want a hobby that involves physical activity, without the competitive component of most other sports.

## Photography:

Older kids can nourish their creativity with photography as a hobby. Of course, you'll have to provide the camera and your child will need to put some effort into learning the skills that go into getting a good shot, but the process of exploring their surroundings in search of new subjects is sure to inspire budding artists.

## Scrapbooking:

Any kid who's old enough to work with a pair of scissors can take up scrapbooking—a hobby that encourages self-expression and creativity, while producing pieces of art that will continue to inspire pride any time your child decides to take a walk down memory lane.

## Cooking:

Remember those tender toddler years when you first noticed your child was interested in what went on in the kitchen? Well, if you do, it will come as no surprise that cooking can be an engaging hobby for older kids (i.e., ones that can reach the kitchen counter). This hands-on activity is lots of fun for picky eaters and budding gourmands alike—and because cooking requires a degree of adult supervision, it's an excellent bonding opportunity to boot.

## Sculpting:

Sculpting is often neglected in standard art curriculum, but a kid who tries their hand at it might just discover a new passion. This art form is a hands-on hobby that allows kids to bring their imagination to life with 3D models—a decidedly rewarding fine motor activity that encourages creativity (and can yield pretty impressive results).

## Martial Arts:

Martial arts are an excellent outlet for kids who've got energy to burn, but don't dig the competitive vibe of team sports. Aside from the obvious physical benefits (balance, coordination, strength and overall fitness), this hobby also promotes individual growth in other areas—including discipline, goal setting, focus and even basic respect for others.
