

Thank you!

On 25 July a few volunteers together with Roepingsbond hosted the worlds 270th Street Store in Witbank.

On the day, 214 adults, 23 children and many more family members at home each received a free outfit. The people who attended the day also received a cup of soup with bread, new underwear, and some Bibles.

4Kruis blessed the day with their beautiful music and the Lord blessed each heart - whether donor, volunteer or person in need.

This day was also the launch of a new permanent Charity Store that will serve the community in Witbank.

Thank you to each person who made this day possible or contributed in any way. Gal6:10 Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers.
